Work Experience

Front End Developer

Venture Garden Group - Ikeja ,Lagos
February 2022 to April 2022

As a Front End Developer, I was responsible to "changing the face of IT" through innovative thinking and continuous learning.

- I also worked with the company team on complex large-scale web projects and handle small-to-medium projects on your own. and maintain internal and consumer-facing frontend systems across the organization.
- Collaborate with designers to bring products to life...
- Built company's website.
- Teamed on user-centric design strategy in translation of UX and business requirements into coded solutions.
